

2022 Annual Report

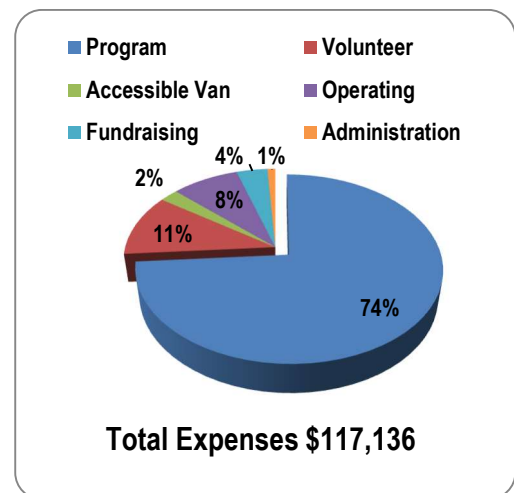

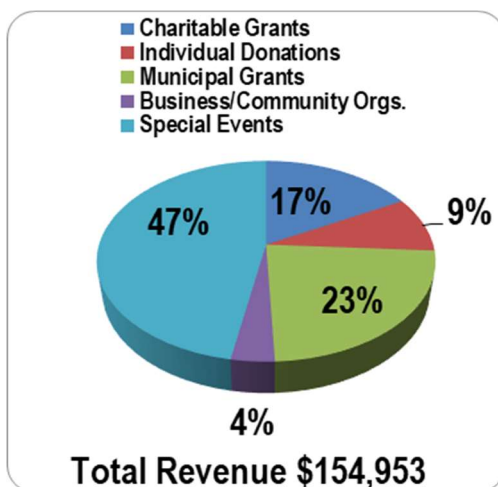

TASC's mission is to help people maintain their health, independence & dignity by mobilizing volunteer drivers to provide rides to eligible residents of the NH Seacoast communities we serve.

Service is provided to eligible residents of Brentwood, East Kingston, Exeter, Greenland, Hampton, Hampton Falls, Kensington, North Hampton, Rye, Seabrook and Stratham, NH. Eligible residents are adults who are age 55 or better or have a disability or medical challenge that prevents them from driving. There is no charge for rides with TASC so that cost is not another obstacle for accessing needed transportation.

TASC by the numbers:

2022 Service Summary:

- **3064 completed rides** provided by 42 TASC volunteer drivers:
 - 867 rides for life-sustaining kidney dialysis treatments
 - 51 rides for cancer treatments

It takes a team to make a difference one ride at a time!!

A gentleman recently told us about a very thoughtful volunteer driver. She brought him a cupcake with a candle on his birthday and a card with a scratch ticket at the holidays. He won ten bucks!

Then he grew quiet. When he spoke again he had a little hitch in his voice. "You know," he said, "TASC, the volunteers, these rides to dialysis; they're what's keeping me out of a nursing home. They're letting me stay in my home and keep my cat. She curls up right next to me at night."

Everyday we're privileged to hear stories like this; stories about the impact a simple ride can have on someone's quality of life. It takes a lot of team work to make these rides happen. It takes our amazing volunteer drivers who make sure we have wheels on the road. It takes our capable volunteer Board of Directors who make sure we're always headed in the right direction. It takes our staff who work behind the scenes to make sure it all comes together. And it takes our supporters whose generosity goes directly to our mission of helping people maintain their health and independence by mobilizing volunteer drivers.

We are grateful to all who supported us in 2022. You are a vital part of Team TASC!
